

Whitley Chamber **WINS** Excellence in Innovation Award from ICEA

We are thrilled to announce that our very own Whitley County Chamber has won the Indiana Chamber Executives Association's **Excellence in Innovation Award** for our monthly Love Local campaigns. This prestigious recognition, part of the Annual Excellence Awards, honors innovative new projects from chambers across the state. Our Love Local campaigns have been instrumental in fostering community engagement and supporting local businesses, and we are incredibly proud to see our efforts celebrated at such a high level. Thank you to everyone who has supported and participated in our initiatives! We had to celebrate with our biggest Chamber supporters with a photo of the award and our rad Chamber car, provided by Kasey Shirey at City Auto Mall.

Throughout all of 2023, we embarked on a journey to bring local chamber members together through engaging monthly themes that celebrated the unique spirit of our community. Each month featured a carefully curated theme, and we invited all members to actively participate and/or sponsor the theme for that month. Exclusive window clings and stickers were provided to members who wanted to participate, with shirts available for purchase too, all designed and printed by a fellow member, Bravery Branding.

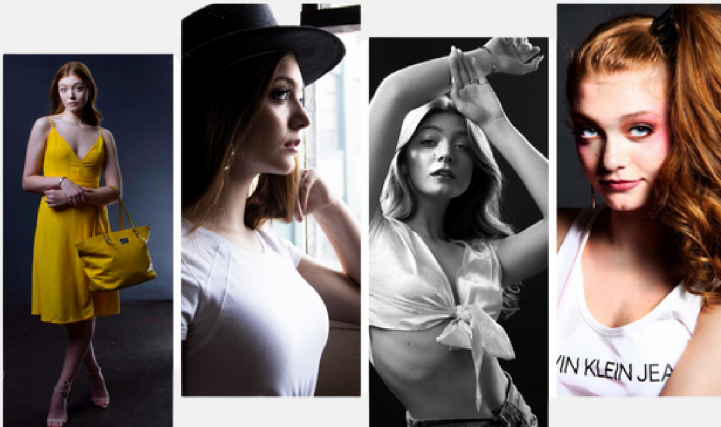

Welcome NEWEST CHAMBER MEMBERS

We are so excited to welcome these local businesses to the Whitley County Chamber.

CONGRATULATIONS!

Shared Kitchen Space New to Whitley County

We are so excited to welcome Beyond the Kitchen to Columbia City. BTK is a Shared Kitchen Space located at 107 N Walnut St. It's purpose is for small/home businesses to have a place to grow their business with the use of a commercial kitchen.

This initiative will not only foster creativity and innovation but also empower local food entrepreneurs to scale up their operations, create new job opportunities, and contribute to the vibrant culinary scene in our community. This shared kitchen will serve as a hub for collaboration, knowledge sharing, and economic growth, truly enhancing our town's entrepreneurial spirit.

Head to the "Beyond the Kitchen" Facebook page for a full kitchen tour and more behind the scenes content of getting this space ready for our community!
