

January's Chamber Member of the Month

We are proud to recognize **Eel River Bison Ranch** in South Whitley as our January Member of the Month. Their business is a shining example of how innovation, sustainability, and hard work can drive meaningful economic growth in our rural communities. Through their commitment to responsible land stewardship, locally focused agriculture, and high-quality products, Eel River Bison Ranch continues to make a lasting impact on our region.

In addition to being named Member of the Month, Eel River Bison Ranch was also honored at our December awards dinner with the 2025 Rural Economic Impact Award. This recognition celebrates businesses that strengthen our local economy, create opportunity, and help rural areas thrive. Eel River Bison Ranch exemplifies each of those qualities.

We congratulate Eel River Bison Ranch and thank them for their continued investment in our community, our Chamber, and their leadership in rural entrepreneurship.

Celebrating Career & Technical Education at WCCS

We are proud to celebrate Whitley County Consolidated Schools following the recent groundbreaking of their new Career and Technical Education (CTE) Center. WCCS continues to empower students through hands-on learning, industry-recognized credentials, and diverse career pathways that prepare students for real-world success — right here in our community.

Reeg's Motor Sales Closes Doors After 70+ Years in Business

After more than 70 years in business, Gene Reeg Motor Sales, Inc. has announced its closure. Since 1949, this family-owned dealership has been a trusted part of Columbia City, built on honesty, hard work, and lasting relationships.

We are grateful for their decades of service to our community. Their legacy will be remembered and greatly missed.

Surf Internet Celebrates 250,000 Fiber-Optic Passings After Record-Breaking Year of Growth

ELKHART, Ind., Dec. 16, 2025 – Surf Internet® has reached 250,000 homes passed with fiber-optic internet across Indiana, Illinois, and Michigan, its strongest construction year to date and a defining milestone in the company's 25th anniversary year.

In 2025, Surf brought its fiber-optic service to more than 66,500 additional homes and businesses through November and is on track to exceed 75,000 passings by year-end, driven by construction acceleration, strategic grant funding, and community partnerships across the Great Lakes region. These builds reflect Surf's entry into 40 new markets, expanding fiber access in rural communities and mid-sized towns.

"Every new mile of fiber represents a community gaining access to opportunity, growth, and connection," said Gene Crusie, Founder & CEO of Surf Internet. "Delivering fiber-optic internet to 250,000 homes isn't just a milestone— it's a transformation marker for the Great Lakes region. We're proud of the progress and energized by what this unlocks for the years ahead."

In addition to its network expansion, Surf has continued to invest in local talent, welcoming 90 new employees in 2025 across engineering, construction, customer care, and field service roles. The increased staffing supports Surf's commitment to dependable service, faster installations, and exceptional customer support from people who live in the communities they serve.

"Reaching this milestone took disciplined work across our field teams, contractors, and local partners, especially in communities that had never had fiber infrastructure before," said Brent Williams, Chief Operating Officer at Surf. "Their commitment is a big part of why we were able to deliver at this pace in 2025."

Surf's strong performance this year also earned the company a place on Broadband Communities' national list of Top 100 Fiber Providers, recognizing Surf's expanding impact in bringing reliable fiber connectivity to underserved communities.

Looking Ahead to 2026

Surf will carry its 2025 momentum into the new year, accelerating construction through state and federal broadband grants, including BEAD-funded projects, while expanding into new markets and strengthening partnerships that help small towns and rural neighborhoods take their next step forward.

Member Spotlight

Busco Beans is growing beyond handcrafted coffee with new made-to-order breakfast and lunch options. Guests can now enjoy warm breakfast croissants with bacon, egg, and melty cheese, along with freshly toasted hot melts for lunch. They've also expanded their bakery offerings with locally sourced items — including gluten-free and vegan options like cookies, brownies, muffins, and oatmeal cream pies. As always, Busco Beans continues to be a welcoming place for the community to gather, refuel, and connect. **Thank you for being a member!**
