

July Chamber Member of the Month

Congratulations to **1897 BBQ** – our Member of the Month!

This year has marked an exciting new chapter for the restaurant as it continues to grow under new ownership. With a refreshed menu, updated pricing, and a continued commitment to serving delicious barbecue, 1897 BBQ has embraced change while staying true to the welcoming atmosphere the community has come to know and love.

Their recent move into the former Van Buren Event Center building is another exciting milestone, giving them a beautiful new space to serve guests, host gatherings, and continue growing right here in Whitley County. We're grateful for their investment in our community, their partnership with the Chamber, and the enthusiasm they bring to downtown. Congratulations to the entire 1897 BBQ team—we're excited to see all that's ahead and encourage everyone to stop in and experience their new home!

Meet Our New **Community Event Manager, Bill Dittlinger**

I'm honored to serve as the Whitley County Chamber's Community Engagement Manager.

One thing I've learned over the years is that strong communities aren't built by individual businesses working alone. They're built when people, businesses, churches, organizations, and neighbors work together. Here in Whitley County, we believe we need each other. What I love most about our Chamber is that our members understand this. Time and again, I've watched local business owners make introductions, share opportunities, offer encouragement, and support one another. They know that when one business succeeds, our entire community benefits.

My role is simple: help tell those stories, build those relationships, and connect people with the businesses, organizations, and resources that make Whitley County such a special place to call home.

Whether you're a longtime resident, a new neighbor, a visitor, or a business owner, I hope this guide helps you discover the people, places, and organizations that make our community thrive.

Together, we're building a stronger Whitley County—one relationship at a time.

107 Years of Columbia City Rotary Club

For 107 years, the Columbia City Rotary Club has proudly served the Columbia City community through service projects, leadership development, and charitable initiatives. While many residents may not realize the impact Rotary has had over the years, chances are we have crossed paths in service to our community.

From hosting the annual Easter Egg Hunt at Morsches Park, delivering Thanksgiving meals on Thanksgiving Day, serving meals on the Hill during the Whitley County 4-H Fair, and helping keep State Road 109 clean from the former Bob Evans location on U.S. 30, all the way North to CR150, Rotary members have remained committed to making our community a better place to live, work, and raise a family.

Investing in future leaders is also a cornerstone of our mission. Each year, the Columbia City Rotary Club partners with the Questa Education Foundation to provide three \$5,000 scholarships to deserving local students pursuing higher education or skilled trades training.

On June 30, 2026, the Columbia City Rotary Club gathered for its annual Passing of the Gavel ceremony and summer cookout. This special event celebrates the accomplishments of the outgoing leadership team while welcoming those who will guide the club in the coming year.

During the ceremony, outgoing President **Eric Horvath** officially passed the Rotary gavel to incoming President **Q**, who will lead the club during the 2026–2027 Rotary year. The symbolic passing of the gavel represents the continuation of Rotary's commitment to "Service Above Self" and the ongoing dedication of members to serving the Columbia City community.

The 2026–2027 Board of Directors includes:

- **President:** Q Qureshi
- **Past President:** Eric Horvath
- **Treasurer:** Deb Roy
- **Secretary:** Todd Lybarger
- **Board Members:** Leslie Blakley, Abby Whitt, Dick Buchanan, Sarah Gordon, and Jacie Worrick

As the club begins another year of service, Columbia City Rotary remains focused on strengthening our community, supporting local youth, and creating opportunities for service that make a lasting difference.

If you are interested in learning more about Rotary or becoming involved in community service, we invite you to join us and discover how together we can continue making a positive impact for generations to come.

Upcoming Member Events

Our Chamber members are always hosting exciting events throughout the community, and we love helping spread the word. From grand openings and open houses to workshops, sales, and special celebrations, member events are a great way to support one another and stay connected.

If you'd like your upcoming event featured in a future newsletter, please message or email the Chamber with your event details.
